Mr. David Darby  
PO Box 110  
Amboy, WA 98601

Dear David,

This is in response to your letter dated May 8, 2009 and received by me on May 11, 2009.

Since 1889 courts have consistently enforced and applied the provisions of the 1889 Washington constitution.

Only courts have the power to rule on the validity of statutes and constitutional provisions. If a court of competent jurisdiction directs that the 1889 constitution is invalid and directs us to take action we shall do so at that time.

With best regards,

Greg Kimsey
